Regulations Information for catching Cod and Salmon in the Western Baltic

Updated January 2024

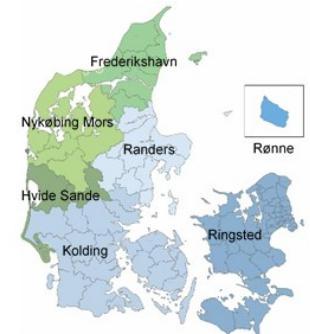

Catch limits for cod and salmon in the Western Baltic. Valid for angling in 2024.

If you have further questions regarding the current rules for angling, please contact the Danish Fisheries Agency at Phone number **+45 7218 5600**

You can also find updated information on our website:
www.fiskeristyrelsen.dk

We have local departments with staff in Frederikshavn, Nykøbing Mors, Randers, Hvide Sande, Kolding, Ringsted and Rønne.

It is your responsibility to keep you informed about changes in the regulations!
New rules are published on: www.fiskeristyrelsen.dk

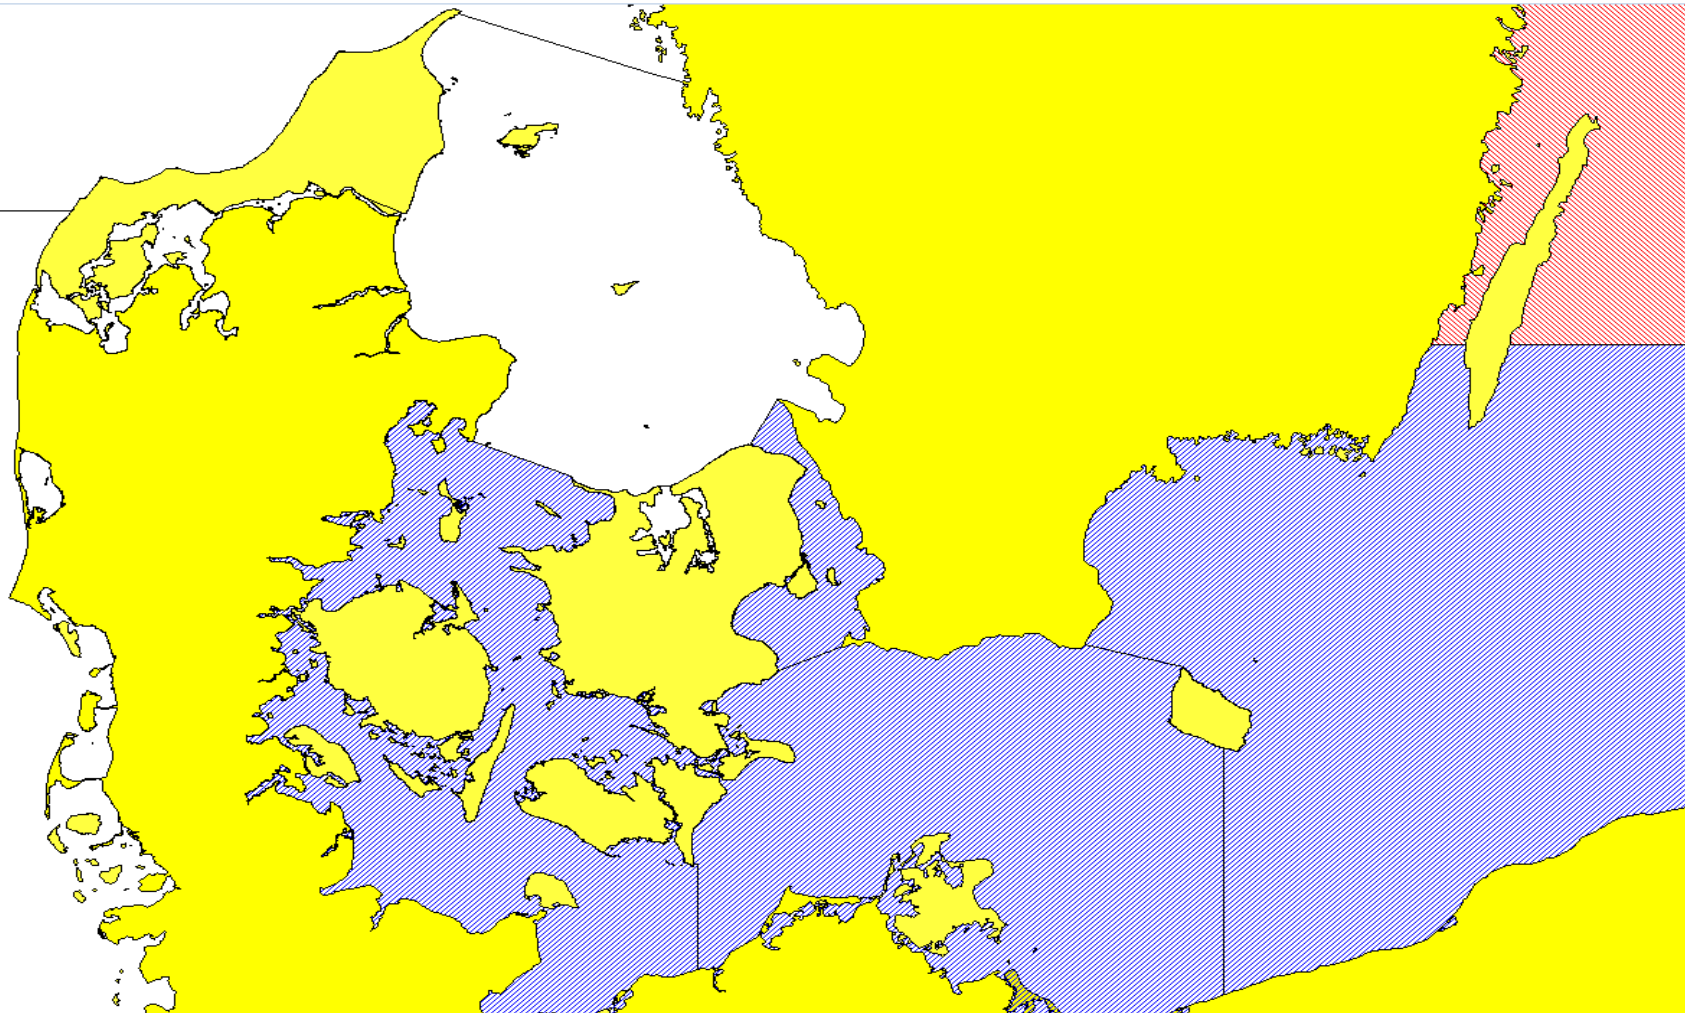

Restrictions on cod and salmon fishing for anglers in 2024

Cod.

In blue area: Fishing for Cod is prohibited all year round in subarea 22, 23, 24, 25 and 26.¹

Salmon

In both the colored areas (blue and red), any salmon caught shall be immediately released back into the sea. However, one specimen of adipose fin-clipped salmon may be retained per angler per day. Salmon retained shall be landed whole.²

Note!

The rules also apply if you go angling from a tourboat.

During angling for salmon, all fish caught shall be landed whole.
